

Post-Assessment:

1. The universe can be understood totally through the perspective of science
 - a. 5) Strongly agree
 - b. 4) Agree
 - c. 3) Neither agree or disagree
 - d. 2) Disagree
 - e. 1) Strongly disagree

2. Truth cannot contradict truth, and so all true, even if distinct, perspectives of a thing mutually enrich our understanding of it
 - a. 5) Strongly agree
 - b. 4) Agree
 - c. 3) Neither agree or disagree
 - d. 2) Disagree
 - e. 1) Strongly disagree

3. Evolutionary science can enrich, rather than contradict, the role that the Persons of the Trinity play in creation.
 - a. 5) Strongly agree
 - b. 4) Agree
 - c. 3) Neither agree or disagree
 - d. 2) Disagree
 - e. 1) Strongly disagree

4. Properly interpreting the Genesis creation accounts prevents Christians from drawing faulty scientific conclusions from the biblical text, which can increase the credibility of the Christian faith to those who do not yet have faith
 - a. 5) Strongly agree
 - b. 4) Agree
 - c. 3) Neither agree or disagree
 - d. 2) Disagree
 - e. 1) Strongly disagree
